### 2020 Malbec

Vista Flores, Argentina

13.5% ABV

100% Malbec

Grapes are hand harvested in the second and third week of March. High density at 6,850 plants per hectare leads to maximum expression of the terroir. Once crushed, 30% of the juice sees a short time in neural oak, while the remainder is fermented in a mix of concrete and steel.

*"Intense ruby color, with a hint of spice on the nose. The mouth is young with expressive red fruit and fresh cherry, with a subtle touch of oak, creates balanced acidity and soft tannins."*

### 2022 Rosé

IGP Méditerranée, France

12.5% ABV

Grenache, Syrah, Merlot, Caladoc Blend

Grapes are handpicked at night to ensure freshness. They are immediately direct pressed in a pneumatic press to retain the primary aromas and elegance of the grapes. The resulting wine is cold fermented between 13-16 °C in stainless steel tanks for 15 days.

*"This Rosé is a pale rose color with notes of strawberry and raspberry. On the palate, it is bright and dry with a hint of apricot on the finish."*

### 2022 Sauvignon Blanc

Loire Valley, France

12% ABV

100% Sauvignon Blanc

Grapes are pressed immediately and kept at 41-42 °C on fine less debourbage for 8 days. The wine is then cold fermented in stainless steel tanks for 11 days.

*"This classically styled Sauvignon Blanc has notes of ripe citrus and fresh white peach with a subtle minerality on the finish."*

### 2021 Sangiovese

Marche, Italy

13% ABV

100% Sangiovese

Old pergola vineyards harvested by hand by hand in the cooler hours of the day. After maceration the juice ferments on the skins in stainless steel tanks for 10/12 days at a controlled temperature of 25°C.

*"This wine has a great structure and notes of blackberry, cherry, violet and red fruits on the nose. Smooth tannins, velvet mouthfeel, medium full body elegantly integrated with fruity and spicy black pepper."*

### 2022 Torrontés

La Rioja, Argentina

13.5% ABV

100% Torrontés

Grapes harvested in the second and third week of February. We make an early pick/press of a small amount of fruit and blend it back into the primary lot to get a boost of natural acidity and tempered aromatics.

*"Greenish yellow in color and a strong presence of jasmine on the nose. The mouth is an expression of dry fruit including apricot with hints of lemon zest."*

### 2021 Pinot Grigio

DOC Delle Venezie, Italy

12% ABV

100% Pinot Grigio

Harvest takes place at the beginning of September and yields 12 tonnes per hectare. Vinification involves the separation of husks and stalks from the grape, followed by a soft pressing. Fermentation is carried out at controlled temperatures for 15 - 20 days. The wine finishes in stainless steel vats.

*"The color a pale yellow hue; the nose has a fine bouquet of citrus fruits with a palate consisting of citrus and well-balanced acid making it a refreshing experience."*
